GRIT Project Summer Programs 2026 Released: November 24, 2025 Proposal Due: January 9, 2026

Under the auspices of the Workforce Innovation and Opportunity Act (WIOA), the Workforce Development Board #1 covering Adams, Brown, Pike and Scioto Counties (hereafter referred to as "WDB #1") works in partnership with the Chief Elected Officials of Adams, Brown, Pike and Scioto Counties (hereafter referred to as "CEO") to set the workforce policies for Local Workforce Area 1. Per the Area's Intergovernmental Agreement, the CAO of Scioto County, Inc. is designated as the fiscal agent.

The WDB #1 is issuing this Request for Quotes (RFQ) to solicit proposals from post-secondary training providers and apprenticeships/pre-apprenticeships interested in serving as a training provider for the Summer GRIT (Growing Rural Independence Together) Programs. Summer GRIT Programs will be operated within a window of time between June 1, 2026 to August 15, 2026; with the understanding that short 3 to 6-week training programs are the preference of the GRIT Summer Programs.

Respondents must propose to provide services for counties designated by the Ohio Department of Job and Family Services (ODJFS) to be served by GRIT.

Workforce Development Board Area 1's GRIT Project invites proposals for the 2026 high school summer workforce training programs. The purpose of these programs is to empower rising and graduating high school seniors through workforce credential certifications, internship/job placement opportunities, and robust job retention tracking. Our objective is to equip students with short term training and certified workforce credentials that align with in-demand fields, preparing them for further postsecondary education and training or direct entrance into the workforce.

The Summer GRIT Programs has a budget up to \$500,000 for Summer 2026. Up to 6 (six) training providers/apprenticeships will be selected through this RFQ.

As we enter the fifth grant cycle for the Summer GRIT Programs, our primary emphasis is on achieving indemand and critical workforce credentials for young people with measurable outcomes. The GRIT Project will allocate funding for workforce training experiences through a braided funding stream, in collaboration
